

Midterm 2 Review

This review is based on two documents both of which are found in our Carmen modules

- Midterm review materials > Midterm 2 Sample Sp 21 → Key Spring 2021
- Week 5 > Midterm 2 - Review → Review

I will go over the problems therein in the following order:

- Review #1] limit def'n of derivative
- Review #2] derivatives from table and graph
- Sp 21 #1]
- Review #3]
- Sp 21 #3]
- Sp 21 #2] derivatives and tangent lines
- Review #4] derivatives and velocities
- Sp 21 #4]
